Alumni Performance and Connect

We as an institute are proud to mention that our Alumni are one of the strongest stakeholders towards all institutional development activities. Ever since our institute is incorporated and first batch was convoked in the year 1997 we have consistently followed the practice of inviting parents along with graduating student to enable a strong bonding with our students who after convocation becoming part of our alumni family. During the convocation ceremony all graduating students take a Pledge which also encourages them to be a "loyal ambassador for our institute and seek to promote its welfare and maintain its reputation"

Organization chart of SIESCOMS Centre for Alumni Relations:

Alumni Chapters

We have a tradition of arranging annual alumni meet in the campus inviting all our alumni from various programs. We also use digital interaction with alumni to reach out to them globally. In addition to digital interaction, we invite them to share their experiences from campus to corporate.
