Alumni Performance and Connect

We as an institute are proud to mention that our Alumni are one of the strongest stakeholders towards all institutional development activities. Ever since our institute is incorporated and first batch was convocated in the year 1997 we have consistently followed the practice of inviting parents along with graduating student to enable a strong bonding with our students who after convocation becoming part of our alumni family. During the convocation ceremony all graduating students take a Pledge which also encourages them to be a "loyal ambassador for our institute and seek to promote its welfare and maintain its reputation"

Organization chart of SIESCOOMS Centre for Alumni Relations:

Alumni Chapters:

We have a tradition of arranging annual alumni meet in the campus inviting all our alumni from various programs. As the world witnessed the global pandemic, India was no exception to it. India was severely affected by Covid-19 and it went into complete lockdown. We had to find innovative solution to reach and interact with our alumni's. This led to adaptation of digital interactions of all the alumni and helped in successfully reaching to most of our alumni's based around the globe. We have following International and Domestic SIESCOOMS Alumni Chapters during the year 2020-21.
