

## *SIES School of Business Studies*

### **Placement Report 2022-23**

#### **Management Programs- PGDM/AIMA/Pharma/Biotech**

#### ***Batch 2021-23***

Placements in SIES Management institutes are professionally managed by a team of dedicated staff and students. The students are at the forefront of getting new and better companies every year. The cohort of students participating in campus placement program brings with them a wealth of diverse knowledge. Roughly one fourth of the batch every year come with diverse industry experience also.

There are three (3) types of placement cycles for Management Students: Internship placements, Project Placement and Final Placements.

SIES is proud to announce the successful culmination of the final placement process for the batch of 2021-23.

We extend our deep gratitude to the faculty and alumni for their unwavering support and guidance in making the placement process a great success. We also extend our sincere thanks to the recruiters for their trust and support and look forward to building a long-lasting relationship with them.

SIES is committed to developing future leaders and driving progress through its students. We are confident that our students will continue to make a positive impact in the world.
