Professional activities : Conducting MDPs, Seminars, Workshops, NGO activities, CSR activities

Consultancy activities : Yes

Grants fetched : Nil

Departmental Achievements :

The **SIES College of Management Studies (SIESCOMS)** was established in 1995. SIESCOMS envisages providing quality Management education for the nascent professionals, the dynamic future managers for 21st century. SIESCOMS's foundation maps its roots to rich tradition of **South India Education Society (SIES)**, one of the oldest and value-based educational trusts that runs a number of educational institutes in the city of Mumbai. Located at a sprawling campus at Nerul, the academic hub of Navi Mumbai, **SIESCOMS** boasts of one of the best physical infrastructure befitting a modern b-school.

Ever since its inception, academic programs of the institute enjoy full support and patronage of corporate sector and other stakeholders. Today **SIESCOMS** holds a place of distinction among premier business schools in India. It is the **first b-school** in the country to start an exclusive vertical MBA program for **pharmaceutical industry**. Similarly, it is one of the few b-schools to conceive a vertical program for the **biotech sector**. The program for NGO sector is the other unique initiative. Another milestone includes being recipient of the **ISO 9001:2008 Certification** for quality management education as well as **Ramakrishna Bajaj National Quality (RBNQ)** award

for the year **2008** in the “**Education**” category which is developed on the lines of the Malcolm-Balridge National Quality Award.

A highly committed group of qualified and experienced faculty enjoying respect and recognition in academic community and corporate sector forms an enviable part of our academic team. Majority of them have managerial experience and continue to maintain close links with outside organizations through consulting and research. They are thus adept at bridging the gap between theory and practice. Our faculties have drawn on their passion for teaching, their experience in working with organizations worldwide, and insights gained from their research to educate generations of leaders who have shaped practice of business in every industry. The **core faculty base 23** is supplemented with over 15 **visiting faculty** from the corporate world.

Research is at the core of SIESCOMS. The institute is also known for being one of the most innovative business schools always doing something new and creative, either in product or process. Result has been obvious - in almost all the major ratings (Outlook, Business India & Business World), SIESCOMS has always figured among **top business schools**. Similarly, **placement** track record has always been phenomenal.

The Institute has a strong corporate networking and is engaged in organizing a number of **Management Development Programs (MDPs)** and **Consultancy Activities**. Some of the corporate clients with whom the institute has close relationship in recent times in this regard include Atomic Energy Regulatory Board (AERB), Glenmark Pharmaceuticals, Ispat Industries, Kotak Securities, Reliance Infocomm, The Shipping Corporation India, Thyssenkrupp Steel India, among others.

The SIES School of Business Studies was formed as standalone institute for running PGDM programs in 2020 as per new guidelines of AICTE. Earlier all PGDM programs were conducted under SIES College of Management Studies institute.
