# PLACEMENT REPORT

**PGDM Batch 2023-25**

# Form the desk of the Director

Smart organizations look for skilled and smart thinking students for their early assignments. In order to develop them with "Analytical Mindset & Thinking Abilities", business schools are required to continuously challenge their paradigm of teaching pedagogy and help students break out of theirAt SIESSBS every faculty has moved beyond the usual management education pedagogy and instead uses power of innovative thinking to hone smart decisions making abilities of each and every student. With the support, coaching and personalized attention of faculty as Mentors, we provide skills that are needed to solve complex business issues in the current VUCA environments. As we strongly believe in the value of quality and creative education for preparing responsible citizens, our placement record and rankings on diverse platforms as a "Top Business School" establishes our credentials to reckon with. Further, as global competitiveness has become sine quo non for the success for all, including management education, the route taken by us include optional foreign visits by students.

"The best way to predict a future is to create it", as said by the management guru Peter Drucker. At SIESSBS we make all possible effort to ensure that every student creates the bright future on the campus itself and walks out with head high on completion of the program.

# PGDM Placements 2025

**“The institute stands tall because of its students.”**

Placements in SIES Management institutes are professionally managed by a team of dedicated staff and students. The students are at the forefront of getting new and better companies every year. The cohort of students participating in campus placement program brings with them a wealth of diverse knowledge. Roughly one fourth of the batch every year comes with diverse industry experience also. There are three (3) types of placement cycles for Management Students: Internship placements, Project Placements and Final Placements.

We extend our deep gratitude to the faculty and alumni for their unwavering support and guidance in making the placement process a great success. We also extend our sincere thanks to all the recruiters for their trust and support in our students and look forward to building a long-lasting relationship with them.

SIES is committed to developing future leaders and driving progress through its students. We are confident that our students will continue to make a positive impact on the world.
